### Welcome!

#### 1. Welcome!

In the unique surroundings of the Lofoten Islands we are offering you the opportunity to do an amazing race in the never-ending light of the midnights sun – Lofoten Ultra-Trail! That's right. You won't need your head lamp for this one!

This Race Manual is for the 12 KM distance from Svolvær square.

This is an ultra-trail where the organizers will do ALL SUPPORT. No external support is accepted.

Before you register for The Arctic Triple races read the given Race Manual thoroughly. It is crucial that you are aware of what the race will require both for preparations and throughout the race. Be prepared.

Welcome to a mind moving experience with The Arctic Triple // Lofoten Ultra-Trail!

Best,  
The Arctic Triple Team

## The Arctic Triple - Back to nature

The Arctic Triple event series has a strong focus on the environment. We want to do everything we can to make the most environmentally friendly races in the world – and having hundreds of support cars on the roads does not sound right. That way the roads are less crowded and safer for the athletes and crew.

The route for Lofoten Ultra-Trail WILL BE MARKED to make the experience safer and better for the athletes. We also actively try not to produce any unnecessary items that most likely will end up as trash or in the back of a closet.

We are lucky to be able to do an ultra-trail in the amazing and wild nature of the Lofoten islands, and for this to continue we need to take care. It is under no circumstances allowed to throw any trash along the different parts of Lofoten Ultra-Trail. There will be trash buckets on the service points – throw trash there and nowhere else.

Note! If athletes are seen throwing trash on the track this may lead to penalties or even disqualification.

Leave nothing but a “Thank you” behind.
